

To download a PDF of the report:

- 1 - Go to the bottom of the Tableau tab and select the download button (second last icon on the bottom right hand corner)
- 2 - Select PDF
- 3 - In the 'Include' section select 'Specific sheets from this workbook'
- 4 - Click 'Select All' followed by 'Create PDF'
- 5 - Once the PDF has been generated click the 'Download' button

To download a PDF for a specific hospital:

- 1 - Go to 'Severity of Trauma' tab and select a hospital from the dropdown list
- 2 - Follow the steps 1 - 5 as detailed above.
